Dear Parent/Carer

Year 10 English Literature Mock Examination - Thursday 9 November 2017

I would like to inform you that there will be an English Literature mock examination for all students in Year 10 on Thursday 9 November 2017. Students have been working hard preparing for this during their English lessons this term. I have outlined below some essential information regarding this day which will allow you to support your son/daughter for this examination.

Year 10 students are taking this English Literature mock examination early as they will be sitting this qualification in the summer 2018 series. Please note that normal lessons will be affected by this examination on the day, as Year 11 students are also taking this mock examination.

Due to the large number of students attending this mock examination on Thursday 9 November 2017, logistics mean that Year 10 students will sit this examination outside the scheduled examination time. Therefore, on the morning of Thursday 9 November 2017, Year 10 students will be based at our VIth Form where they will take part in a workshop focusing on examination technique and preparation. Later that morning, Year 10 students will then sit the English Literature mock examination in the hall.

Please note however that those students with Examination Access Arrangements will sit this examination at 9am.

With effect from 9am on Thursday 9 November 2017, the rules and regulations set out by the Joint Council for Qualifications (JCQ) will be followed until completion of the examination on this day. This will include students not having access to any electronic devices during this period. A copy of the rules and regulations can be found on the reverse of this letter and students will be fully informed of these during assemblies.

Students must bring black pens to this examination and this equipment needs to be stored in a clear pencil case or bag. It is the responsibility of the student to bring the correct equipment to all examinations. **Please note that school will not provide these items.** It is vitally important that students take this and all other future examinations seriously.

I would like to take this opportunity to wish your son/daughter all the very best for this examination and to thank you for your continued support. If you have any further questions regarding this day, please do not hesitate to contact the school on 01299 872950.

Yours faithfully

Miss K Maughan
Assistant Principal
