4pm - 7pm

**Note: school will close at
3pm for all year groups**

Quote of the Week

**"A leader is one who
knows the way, goes the
way and shows the way."**

John C. Maxwell

We would like to thank the parents/carers of Year 12 and 13 students for attending the Post 16 Parents' Evening last night. This is a very important time for our VIth Form students as they prepare for their A Level examinations and the meetings with teaching staff proved to be very beneficial for the parents/carers to guide and support their sons/daughters over the coming months.

Our next Parents' Evening in school is for Year 7 students during the week after half term. We have recently introduced a new online system for booking appointments with teachers which we feel is an improvement on the current system of sending letters home.

During the half term break, a group of our Modern Foreign Languages students will be embarking on a trip to Paris to take in the sights of the Eiffel Tower, a river trip on the Seine and Disneyland Paris. These overseas trips are a wonderful opportunity for students to practise and develop their language skills by talking and interacting with local people.

Finally, we would like to remind all parents/carers of the importance of students being suitably equipped for their lessons and to respect the school's uniform code. The half-term break is a good time to check that your son/daughter has everything they need for the return to school.

From all of us at SHS we wish you an enjoyable half-term break and we look forward to seeing you all again on Monday 27 February for the start of the new half-term.

Mr C King

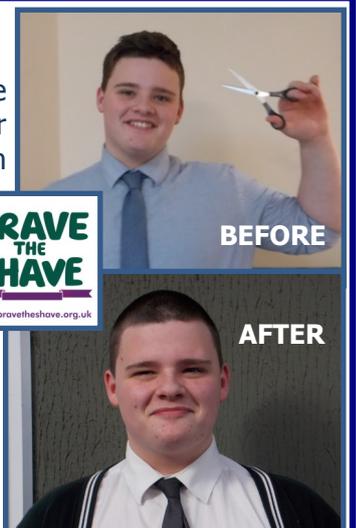

Executive Principal

Brandon Braves the Shave

Year 11 student Brandon Allsopp has 'braved the shave' this week in memory of his grandfather who passed away last year after a battle with cancer.

Brandon took part in the event organised by Macmillan Cancer Support by having his head shaved to Grade 1 (approximately 3mm) at his mother's salon Finishin' Touch in Stourport.

We are so pleased to see that Brandon has successfully raised over £100 for his chosen charity thanks to generous donations made by his family, friends and the school.

World Book Day

We will be celebrating World Book Day on Thursday 2 March 2017 with a number of activities for students to take part in.

Student Book Swap: Bring in a book you have read and 'swap' it permanently for a book another student has brought in. This encourages more students to read for pleasure at home and to share books they have read with each other. The book swap box will be on the ALF counter the week after half-term and students can swap as many books as they wish!

Free £1.00 World Book Day Tokens: ALF will be giving out free £1.00 book vouchers on Monday (via tutors), which can be used to either exchange for a free £1.00 World Book Day book or used as a £1.00 voucher off any full price children's book at participating bookstores up to 27 March. ALF will have a limited number of these books available on a first-come, first-served basis.

DELSPORT UK

Invites you to join our...

Changes to Brunch & Lunch Breaks

'The Hub' is a new privilege area for our Year 11 students with new furnishings and the capacity to serve brunch and lunch. Following on from its success since the launch of 'The Hub' we would now like to extend this opportunity to our Year 10 students for the forthcoming half term.

With effect from Monday 27 February, Year 10 students will be invited to use 'The Hub' for brunch and lunch breaks. In order for this to happen, we will be swapping Years 9 and 10 brunch and lunch times, which will have a minimum impact on the timetable. This privilege will be afforded to the Year 9 students as they move through the school in Years 10 and 11.

The new arrangements will be:

- **Year 9 students will take their brunch at 11am and lunch at 1:30pm.**
- **Year 10 Students will take their brunch at 10am and lunch at 12:30pm.**

We feel sure that students will enjoy using this facility every day and we expect them to follow our rules and expectations. Failure to do so will result in this privilege being removed for all individuals concerned.

Any questions, please contact the Directors of Learning for Years 9 and 10: Mr Ames and Miss Maughan.
