1. Introduction

The right under the Freedom of Information Act (FOI) and the Environmental Information Regulations (EIR) to request information held by public authorities, known as "the right to know", came into force for Academies on 1st January 2011. The Severn Academies Educational Trust (SAET) is committed to the principles of accountability and the general right of access to information, subject to legal exemptions.

Under the Freedom of Information Act 2000, any person has a legal right to ask for access to information held by the SAET. They are entitled to be told whether SAET holds the information (duty to confirm or deny), and to receive a copy, subject to certain exemptions. SAET has a duty to provide assistance to anyone requesting information.

Whilst the act presumes openness, it recognises the need to protect sensitive information. The information which SAET routinely makes available is included in the 'Freedom of Information Action Publication Scheme.'

2. Fee Regulations

The method of calculating charges within this policy is in accordance with the Freedom of Information and Data Protection (appropriate limits and fees) Regulations 2004.

2.1. Estimating the costs of processing requests; (section 4(3) of the FOI regulations)

When estimating the cost of complying with a written request for Information, the SAET will take into account any disbursements costs and the prescribed costs (staff time involved in the following activities):

- Determining whether the information is held.
- Locating the information or a document that may contain the information.
- Retrieving and extracting the information, or a document that may contain the Information.

The cost of the above activities will be calculated by applying an hourly rate of £25 per person, (section 4(4) of the FOI regulations.)

When calculating the costs to process requests, the SAET cannot take account of the time taken to consider whether information is exempt under the Act.

2.2. Where the cost to process a request is below £450

Where the cost of complying with a written request for information is estimated to be below £450, written notice (the "fees notice") will be given to the enquirer with an estimate of the total costs of complying. Where a fees notice has been given to the enquirer, the SAET does not need to comply with the request unless the fee is paid within three months of the notice being received.

SEAT will not charge for any requests with an estimated total cost of under £50.

2.3. Where the cost to process a request exceeds £450

In accordance with the Freedom of Information and Data Protection (appropriate Limits and Fees) Regulations 2004, SAET is not obliged to respond to a written request for information, where it estimates that the cost of complying with the request would be in excess of £450 (which equates to 18 hours of work at £25 per hour).

- Staff costs (£25 per hour) involved in determining whether the SAET holds the Information.
- Staff costs (£25 per hour) of locating, retrieving and extracting the information.
- Disbursement and staff costs (£25 per hour) incurred in informing the applicant that the information is held.
- Disbursement and staff costs (£25 per hour) incurred in communicating the information to the applicant.
- In all cases the costs must be 'reasonable'.

If the SAET does choose to comply with a request where the estimated cost exceeds the threshold, the charge will be calculated as follows:

- 10% of the prescribed costs for the first £450;
- The prescribed costs over £450.

3. Campaign Requests

If SAET receives two or more related requests within a period of 60 consecutive working days, from a person or different persons who appear to be acting in concert or in pursuance of a campaign, the costs of complying with the individual requests will be aggregated.

- Where there is a significant difference between the estimated and the actual charge, SAET will notify the applicant.
- Where charges apply, SAET will require payment before compiling and supplying information.
- If a charge is not paid within the specified time limit of 3 months, the information will not be supplied.

7. Subject Access Requests

Under The General Data Protection Regulation 2016/679, SAET will charge an individual the sum of £10 for requesting personal information held by the Federation about the individual. These requests for information are referred to as subject access requests.

SAET will not process the subject access request until the £10 fee has been received.

This policy will be reviewed annually.
